INTRODUCTION

The Annual Staff of Seneca East High School proudly presents the First Edition of Tiger Paws. The challenging first year has proved a most rewarding one for everyone, especially the Senior Class. The Seniors have stepped out and now leave it to the underclassmen to continue building the spirit of Seneca East in the years to come. Make it a school to be proud of.

DEDICATION

We, the first graduating class of Seneca East High School, dedicate the first edition of this annual to a man of knowledge and understanding. He realizes the problems of today's youth and is always willing to help. He is a man of quality and distinction and is well liked by his students in government, sociology, and geography. Therefore, it is with honor and pleasure that the senior class dedicates this annual to Mr. Ronald Ahten.

Congratulations and Best Wishes to the
Class of 1971

WE THANK YOU FOR YOUR SERVICE AND TRUST

In 1878 the Banking House of Lester Sutton was formally established. Two years later the first graduating class of Attica High School included Leonard L. Sutton. A little later the Class of 1889 included Charles C. Sutton.

Thus began an enduring partnership between the Seneca Fast Schools and THE SUITON STATE BANK. The school has prepared young men and women to earn a good living and to contribute to the prosperity of our community. Moreover the school has always been the source for the best available help in the actual operations of the bank. Today every employee and every officer of THE SUITON STATE BANK is a graduate of Attica High School.
